Subject - Proud of ISRO! Congratulates for PSLV-C38 Success!

Respected sir,

I K. Nikhitha student of Sri Prakash Vidyaniketan is so proud to say that India is no more a help taker of other countries, we have got ISRO with us launching Satellites of other countries and how nice it is to use technology useful to common men manage crop management, weather forecast and many more. This is credible only because of ISRO! Space expenditure is worth because it has many advantages for common men. We are so proud of ISRO and we want ISRO to go for more success in space travel
Jai Ho! ISRO, Our wishes from Sri Prakash Vidyaniketan

Respected sir,

Subject: Congratulating you and your team for the successful launch of PSLV C-38

I am glad that I witnessed the successful launch of PSLV C-38 on 7.6.17. I Sathvik of class 10 studying in Sri Prakash Vidyaniketan congratulate you on the grand success. I saw the launch of PSLV-C38 on Doordarshan channel. I was so inspired that I too wanted to become a scientist and work with you. I am sure that every missile you launch and every satellite you make will be a grand success. Other countries are so inspired that they are delighted to work with our country. All the hard-work and team work of your team was fruitful.

I hope that your success lasts long.

Yours, truly,

P. Sathvik

Sub: Showing gratitude for making India proud.

Dear Sir,

I am writing this letter to show my gratitude for the wonderful launch, ISRO did on 25th June, 2017. I heard that ISRO launched 31 satellites with its PSLV rocket with the total weight of 955 kgs. It was really a proud moment for me when I saw this in news. It made me feel excited to know that these satellites will be placed on an orbit of 505 km polar sun synchronous orbit. I also want to be an scientist when I grow up as I like to make the imaginary world a real one. ISRO always comes to my head as 'A NASA in India'. I hope to join ISRO as it really encouraged me to achieve my goals without giving up. Thanking ISRO for their great efforts and achievements. Jai Hind!

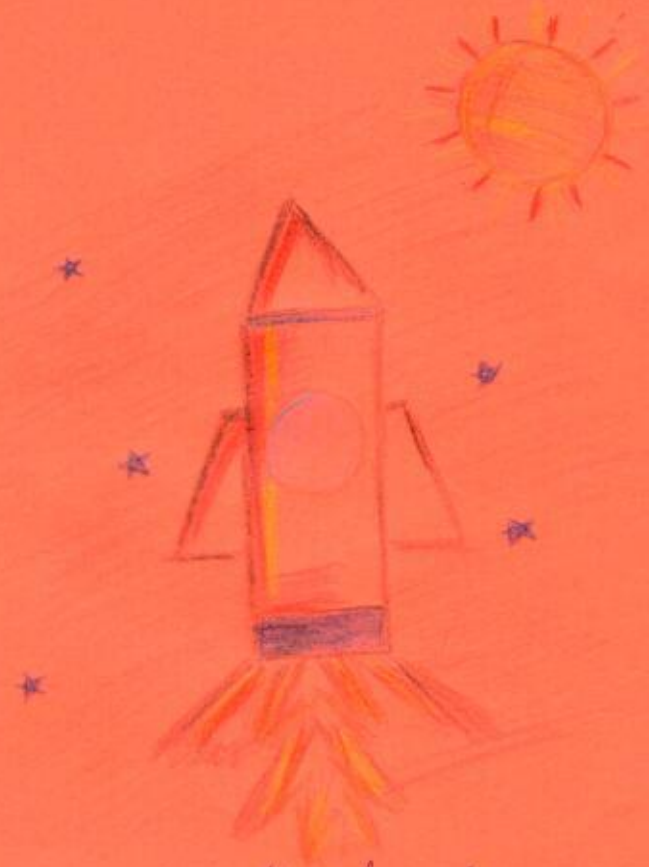

Yours Sincerely,
